

HUSHA

SK100

SK100 Stun Knife

SK100 is an electric shock knife with high voltage shock function, which can be used for military and police personnel training. This product has high voltage arc at the edge of the blade when it is activated.

Electric Shock

Press the electric button and it will perform high voltage arc.

Rechargeable

With general charging interface, convenient and practical to use.

Dagger Practical Training

It can be used for dagger practical training, replacing the real knife, so as to avoid injury during training.

Model	SK100
Dimension	275mm*54.9 mm*41.7mm
Weight	≤160g (with battery)
Output Voltage	3-4 KV
Output Current	<1mA
Battery	Compatible with Lithium Battery 18650
Operation Temperature	-20℃~55℃
